

Obama Energy Policies Cost Jobs

“Sometimes, [federal] rules have gotten out of balance, placing unreasonable burdens on business—burdens that have stifled innovation and have had a chilling effect on growth and jobs.”
-- [President Obama](#), 1/18/2011

President Obama has acknowledged that excess regulations hamper job creation and economic growth. But his flawed energy policies continue to put jobs at risk and prove, once again, that the reality of the President’s policies doesn’t match his rhetoric.
